## INTRODUCTORY COMMENTS

The Examiner has disapproved the proposed drawing correction, figure 5, as not complying with 37 CFR 1.121(d). Applicant has now 15 specified the changes in the Remarks portion of this paper and otherwise complied with the Rule cited by the Examiner. No new matter has been added.

With respect to the objections based on lack of antecedent basis, 20 Applicant has canceled claims 1 and 15, and provided a proposed amendment to claim 2 that is intended to obviate the Examiner's objections.
